EVENT PARTNERS

MediEdge Summit 2026 is a first-of-its-kind healthcare expo dedicated exclusively to Tier 2 and Tier 3 cities of India, bringing long-overdue focus to the regions driving the next wave of

HEALTHCARE GROWTH.

Bringing together **2000+ healthcare professionals**, **200+ industry brands**, **100+ startups**, and **500+ dealers**, the summit creates a powerful ecosystem under one roof.

MediEdge brings together keynotes, expert panels, and live launches to drive learning, networking, and innovation—uniting healthcare leaders to transform and elevate care across emerging India.

WHAT'S NEW AT MEDIEDGE EXPO

01

Focused spotlight on Tier 2 & Tier 3 healthcare ecosystems, unlocking untapped growth and opportunities

02

Real-world hospital business strategies tailored for emerging cities in India

03

Bridging clinical excellence with business leadership for healthcare professionals

04

Digital health, AI adoption, and practical innovation frameworks for everyday practice

05

Building scalable healthcare models for multi-specialty and independent hospitals

06

Collaboration-driven growth through industry partnerships, networking, and knowledge exchange

WHO SHOULD ATTEND

01

Hospital Owners, CXOs, Administrators, and Healthcare Decision Makers

02

Doctors, Specialists, and Clinicians looking to scale their practice

03

Healthcare Entrepreneurs, Startups, and Innovators

04

Medical Equipment, Pharma, and Healthcare Solution Providers

05

Digital Health, AI, and Health-Tech Professionals

06

Medical Colleges, Institutions, and Emerging Healthcare Leaders
